Yon-kyu-roku 496

You can enjoy the ultimate balance of ale's mellowness, lager's crispness, and IPA's rich hoppiness with a deep aftertaste.

Afterdark

Afterdark

Moderating roasted flavor and bitterness and bringing out both smooth sweetness and superior bitterness, it combines fullness and quaffability.

HIME WHITE

Himewhite

Pleasant taste and mild sourish taste with a little flavor of citron and coriander, best fresh beer to drink as an aperitif.

Daidai ale

Using the 「Fukurei」 mandarin orange produced in Yasato, Ishioka City, Ibaraki in Japan, and citrus type hops, it provide refreshing flavor and also ultimate balance of bitterness and the taste.
